4. God's love is a _____.
Ephesians 2:8, 9
John 3:16, 17

"We do not simply become the beloved at our birth and cease being the beloved at our death. Our belovedness is eternal. God says to us: "I love you with an everlasting love." This love was there before our fathers and mothers loved us, and it will be there long after our friends have cared for us. It is a divine love, an everlasting love, an eternal love." –Henri Nouwen 'Here and Now-Living in the Spirit'
